

Form 9 b

To-do list for Monday, 23th March to Friday, 26th March

Dear students of Form 9b,

Hopefully you are fine and don't feel too frustrated because of the reduction of social activities due to the Corona crisis.

For those students who don't continue their work experience any longer and for those who want to brush up their English after work there are some more English activities for the next week. If you have any questions, contact me: <mailto:KindlerHX@web.de>

Best wishes

J. Kindler
