

Liebe Schülerinnen und Schüler der Klasse 8b,

hier zunächst die Lösungen (bzw. Lösungsvorschläge) zu den Aufgaben, die ihr bis zum **30.04.** bearbeiten solltet:

p. 114

Theodore Roosevelt loved sports, especially boxing and rowing. He also loved nature very much and even wrote books about insects and birds. But he didn't only write books. He loved reading books, too.

John Muir loved nature, too, especially the wilderness. He didn't like big cities like San Francisco. Muir spent lots of time outdoor and went walking. He always told people that nature must be protected everywhere.

p. 115, ex.1

The Roosevelt-Muir camping trip was important because President Roosevelt learned a lot about nature and found out that nature must be protected. After the trip Roosevelt immediately started his work to save and protect Yosemite and many other National Parks, too. I think it's hard to imagine that Presidents would do a camping trip like Roosevelt did in 1903.

p. 119, ex. 1

1. Wrong. Louie was terrible at English.
2. Wrong. It doesn't work with women and not everybody likes baseball. Mets fans also don't like Yankee fans very much.
3. Right.
4. Right.

Dies sind nun die neuen Aufgaben, die ihr bitte bis zum **08.05.** bearbeitet:

Workbook: p. 62, p. 64 ex. 8+9, p. 66, p. 68, p. 69, ex. 20

p. 251: Wiederhole die unregelmäßigen Verben!

Viel Erfolg & viele Grüße,

C. Sievers
