Writing a summary: Getting a Job

Remember:

In a summary you sum up the most important information of a text or in this case a film. You need the simple present (He/She/It- das -s muss mit!). There is some help in your English book on P. 174.

Use the pictures and words below. Write the text on your computer if possible or take a photo of your hand-written text with your mobile and send it via email to KindlerHX@web.de.

Can is skint.

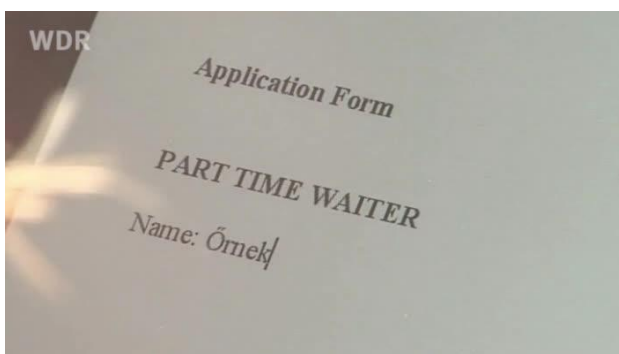

Can needs some money.

Can wants a part-time job.

Suzie helps Can to find a job.

Can fills in an application form.

Can prepares for his job interview.

Can applies for a job.

Can works as a waiter in a restaurant.
