

Dear students of form 7b,

hopefully you enjoyed reading your books as much as I did. I think all of them were interesting or even a little exciting.

This week there are some new tasks for English. Please start with the reading /words exercise because it is a kind of introduction to the rest.

Don't forget to file all your work away if you don't write in your exercise book.

If you need help, send me a mail: KindlerHX@web.de

Kind regards

Yours Ms Kindler
